

November 16, 2012

Below are anticipated construction activities for the week of 11/19/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

Traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are in place. Traffic has been moved further to the west side of Virginia Avenue (still one lane in each direction), and a different contractor will set up barrels and arrow boards on the east side of Virginia Avenue

and start working on the curb ramps at some of the intersecting streets to the east of Virginia Avenue. The Cultural Trail contractor is working on punch list items.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up, moving the vehicles to the southern lanes for the milling and paving operation. Paving of the recently milled surface will be done on Friday, November 16. On Monday, November 19 the traffic will be moved to the newly paved area (two northern lanes) and the milling of the southern lanes will be done. The following day paving will be done on the recently milled surface. Final pavement markings will follow this operation. The plaza at the northwest corner of West Street and Washington Street is still under construction, as well.
